Contract renewal/Cancellation

Your Contract is for a Minimum of 12 Months from the date of the first payment. Unless you tell us otherwise this contract will automatically renew each year, Subject to us accepting you onto the service plan. This contract will remain valid providing payment is continued by you subject to clause 4.

1. Contract invalidations

- If invalid or misleading information has been provided.
- If payment is not received within 7 days of the date due your service plan will be cancelled and charges may apply.
- If on our first visit we find a fault with system/systems.
- If we have advised that a permanent repair is needed to make sure your appliance or system is working properly and safely and you have not acted to resolve in an appropriate manner.
- Any other than one of our engineers/ subcontractors carries out work on the system.
- If health and safety issues arise from your property or persons in property.
- If work has been carried out by someone else on the system not authorised by us.

1. Acceptance onto one of our service plans does not imply that the boiler, heating system or plumbing system is installed to the relevant standards and we will not accept liabilities arising from the original design or installation and so make no warranty as to the fitness for purpose.

1. We will not be liable for any delays in the supply of parts from our suppliers. We may fit replacement parts that are adequate but not the same as the defective part(s).

1. New Parts will only be fitted where old ones are beyond reasonable repair. We will be the sole arbitrators as to the condition of parts, where a radiator requires changing we will only change for a standard white radiator. Designer radiators and towel rails will be attempted to be repaired but not covered for replacement. Boiler heat exchangers that have been damaged by debris, sludge or scale will not be covered for either parts or labour

1. As boilers get older for many reasons they become noisy, where noise is down to the age of the appliance we will not class this as a fault and is not covered under any plan.

9. Access – We are not liable for any repairs to which we cannot gain reasonable access, removal of any obstructions will be at our sole discretion and will reserve the right to charge you at our standard rates. We may insist that you arrange for the obstruction prior to us carrying out the repair, we will not be held liable for any making good unless it's down to our negligence.

10. Charges – If a service plan is cancelled part way through the year we reserve the right to charge for any services and/or repairs we have carried out at our standard rates.

11. Annual boiler service or landlord certificate – If this included in your plan we will try to arrange a visit for this to take place but you remain responsible for it happening within the contract.

12. System flushing – If we recommend that your heating system requires a flush we will provide you with a quotation and once the system is cleaned we will continue with any service plan in place.

13. Exclusions –
